

**Take Your
Pulse
Day is
May 30th**

COATC
Central Ohio Aerospace
and Technology Center

We want to take your pulse.

Your heart will pound when you see the improvements made to the COATC Conference Center.

The Heath Rec Center has arranged free cholesterol, blood pressure/pulse, and glucose screenings, and more.

And review various informational displays while the Port Authority takes your pulse in a satisfaction survey.

Three Events in One!

- An Open House to Show Off the New COATC Conference Center
 - Free Health Screenings
 - Customer Survey by the Port Authority
- Open to Everyone!**

The Health Screening Participants include:

- Cholesterol, glucose, and pulse/blood pressure testing by Heath Nursing Home
- Polarity testing by Sandy Priest
- Massage therapy by Kate Willis
- Bloomberg Eye Clinic
- Body fat testing by Heath Recreation Center
- Bone density testing by ORS
- Nikken Independent Wellness Consultant
- Chiropractor Greg Mantonya
- Nutritional consultant Ed Williams

The COATC Conference Center is located on the west side of the COATC Campus in Heath, next to Aramark's Flightline Café.

Time: 1:00 p.m. to 3:30 p.m.

Date: Friday, May 30, 2003
